Ministry of Education, Govt. of India,
New Delhi.

Sir,

Sub: H.W. -Edn. - Scholarship-holders - Deposit of caution money and spl. fees - Regarding.

It has been represented to this Govt. that most of the students belonging to Scheduled Castes, Scheduled Tribes and other Backward Classes eligible for scholarships from the H.W. Dept. of this State and from the Govt. of India seeking admission into the educational institutions and hostels attached to the, (Com,) are experiencing great difficulty in paying the initial deposit or caution money and special fees, etc., to the educational institutions and the hostels attached to them. As the Govt. of India are aware, the scholarships sanctioned by this Govt. are payale in three instalments in the case of residential and in ~~two~~ instalments in the case of non-residential scholarships the ~~first~~ instalment being paid in July each year. The initial deposit, caution money and spl. fees are required to be paid by the students at the time of joining the college and the hostel in the middle of June. With a view to help students who are not in a position to pay the initial deposit or caution money and spl. fees of this Govt. have empowered the D.H.W. of this State to pay a portion of the scholarship amount in advance equal to the deposit or caution money and spl. fees, to such of the students who are alredy holders of scholarship and for whom scholarships are to be renewed during the year by the H.W.D. subject to the condition that the advance paid is adjusted when the scholarship amounts are disbursed subsequently through the Heads of educational institutions. A few students of this State who are in receipt of scholarships from the Govt. of India have equested that a similar concession may be extended to them. I am therefore to suggest that the request of the scholarship holders

may be considered favourably and necessary advances paid to them at the beginning of the year.

Yours faithfully,

Letter No. F.5-1/53-S.4. dated the 20th April, 1953 from the Secretary, Scheduled Castes, Scheduled Tribes, and other Backward classes, Scholarship Board, New Delhi.2. to the Secretary to the Government of Madras, Rural Welfare Department, Madras.

Sub: Government of India Scholarships to scheduled Castes, Scheduled Tribes, and other Backward Classes 1953-54 - Advance payment.

I am directed to refer to your letter No. 80652 R.W. IV/52.1, dated the 14th February, 1953 and to say that the Government of India hope to make payment of the first half yearly instalment of 1953-54 scholarships (fresh & renewal) within about four weeks after the awards are announced to the Scholars concerned. In the circumstances, it does not seem necessary to make any advance payment which would take some time to arrange for and will in its turn delay the payment of first half yearly instalment to the Scholars.

Yours faithfully,

(sd) N.Ram.
